

**YAWN** is a sporadic communiqué which seeks to provide a critical look at our culture in all its manifestations. We welcome responses from readers, especially observations of a critical nature. Be forewarned that anything sent may be considered for inclusion in a future issue without specific prior notification. Submissions are welcome and encouraged. It is our policy not to attribute work, unless the content benefits from such attribution. **YAWN** is a collective, mostly anonymous, effort. Contributors receive a copy of the **YAWN** in which their work is used. Monetary donations are requested to help defray the costs of publication. Subscriptions are available for \$10 (cash or unused stamps) for 25 issues. Archive at <http://yawn.detritus.net/>.
